

Shop with a Cop

What is Shop with a Cop?

The Shop with a Cop Program affords kids (who would otherwise be without during the holiday season) with the opportunity to spend some time with a Redding Police Officer while shopping for things that are going to make their holidays a bit more joyous. This program is entirely driven by individual and business donations. Redding Social Services will identify a few children, ages 6-12, who could benefit from this program. These referrals will be followed up by the Redding Police Department.

How do I contribute?

To contribute, please mail your contribution to:

**The Redding Police Fund
